

General Purchasing Conditions of the French Magna Companies

1. General Terms / Scope

- 1.1 The issuance of an order by MAGNA results from negotiations carried out by the parties with due consideration for the SUPPLIER's General Terms and Conditions if any. The legal relationship between the SUPPLIER and the French MAGNA companies ("MAGNA") shall be determined by the terms of the order and the following general purchasing conditions ("Purchasing Conditions") and, if any, additional or deviating terms negotiated and expressly agreed in writing between the SUPPLIER and MAGNA.
- 1.2 The SUPPLIER's acceptance of any order from MAGNA will be deemed to constitute the SUPPLIER's irrevocable agreement to the application of these Purchasing Conditions to the order. Additional, contravening or differing terms, whether included in the General Terms and Conditions of the SUPPLIER or negotiated between the parties only apply if MAGNA has accepted such conditions in writing. The Purchasing Conditions also apply, if MAGNA, while being aware of SUPPLIER's contravening or differing terms and conditions, accepts and pays for deliveries made by the SUPPLIER.
- 1.3 The Purchasing Conditions also apply for all future orders by MAGNA, even if MAGNA does not make reference to the Purchasing Conditions in each order. These Purchasing Conditions hold until MAGNA issues new Purchasing Conditions.
- 1.4 The Purchasing Conditions also apply for orders placed with the SUPPLIER by other French Magna companies, without having to be included again.

2. Conclusion of the Contract (Orders and Acceptance) and Changes and Amendments

- 2.1 Supply contracts (orders and acceptances), order releases and other transactions between MAGNA and the SUPPLIER, as well as any changes and amendments thereof have to be made in writing. Orders and order releases may also be issued by electronic data-transfer.
- 2.2 Non-written (verbal) agreements made prior to, at or after the conclusion of the contract, especially subsequent amendments or changes of the Purchasing Conditions (including this in-writing-provision-clause), as well as any kind of ancillary or collateral agreements are subject to written confirmation by MAGNA.
- 2.3 Offers and cost estimates of the SUPPLIER are legally binding. Expenses for such estimates shall not be reimbursed by MAGNA, unless otherwise agreed in writing.
- 2.4 If the SUPPLIER does not accept MAGNA's order within fourteen days after receipt, MAGNA has the right to cancel its order.
- 2.5 MAGNA may request changes relating to the construction and manufacturing process of the product to be made by the SUPPLIER, to an extent that is reasonably acceptable to the SUPPLIER. The impact of these changes, especially with respect to increases or reductions in costs as well as to delivery dates, are to be resolved in an appropriate and mutually agreeable manner. Any changes made by the SUPPLIER are subject to prior written approval by MAGNA.

3. Product Price and Payment Terms and Conditions

- 3.1 If product prices are not determined at the time of MAGNA's order, the SUPPLIER shall fill in the product prices into the copy of the order that shall be returned to MAGNA. A valid contract comes into force, only once MAGNA has accepted such product prices in writing. All additional charges (customs, package, transport, insurance) have to be stated separately in the SUPPLIER's offer and shall be borne by the SUPPLIER (except the applicable value added tax (VAT)), unless otherwise agreed in writing. Any increases in product prices including the increase of additional charges are subject to prior written approval by MAGNA.
- 3.2 The payment for the delivery shall be made within 60 days of the date of the invoice, unless otherwise agreed. These periods do not start before MAGNA has received the full delivery according to the respective invoice.
- 3.3 MAGNA may exercise its setoff and retention rights in accordance with the applicable law.
- 3.4 Any amount owed by MAGNA to the SUPPLIER that is not paid when due shall bear automatically as from the day following the due date on the invoice and without notice, late payment interest at the special interest rate of three times the legal interest rate, provided for in Article L. 441-6 I paragraph 12 of the French Commercial Code. In addition, a lump sum compensation of EUR 40 will automatically be due in addition to the interests. The SUPPLIER has the right to prove additional damages and collection costs and to claim compensation therefore.

4. Delivery Dates, Passing of the Risk, Transport

- 4.1 The delivery dates and terms as defined in the order or the order releases are binding.
- 4.2 Delivery to MAGNA shall be made DDP Incoterms 2010 to MAGNA or to a location specified by MAGNA, unless different delivery terms have been agreed in writing. In case of DDP deliveries or if MAGNA has agreed to bear the transportation costs, then MAGNA has the right to change the delivery term from DDP to FCA Incoterms 2010. If MAGNA has changed to FCA, the transportation costs will be deducted from the price. If MAGNA bears the transportation costs, the SUPPLIER must choose the commercially most suitable way for transport and package, unless MAGNA determines the way of the transport and the package.
- 4.3 The date of arrival of the product and the shipping documents to MAGNA or to the designated location shall be considered as timely delivery at the agreed delivery date, if DDP was agreed on. This also applies if FCA has been agreed on; in this case, however, the SUPPLIER has to ship the products, taking into consideration the time usually required for shipment and transportation.
- 4.4 In case of call orders, MAGNA shall specify and release the amount of a single order and the date of these partial deliveries. Any notification by MAGNA to the SUPPLIER concerning the estimated amounts of delivery, does not bind MAGNA to accept the respective delivery. Call orders may also be issued through electronic data transfer according to the standards applicable in the automotive industry.
- 4.5 Should the SUPPLIER deliver more or less products than ordered, and/or in case of early delivery, MAGNA reserves the right to reject the delivery at SUPPLIER's expense or to amend the invoice accordingly, after giving the SUPPLIER the possibility to verify the deviation between the order and the delivery.
- 4.6 The SUPPLIER is obligated to immediately inform MAGNA about any foreseeable delays in delivery past the determined or fixed dates and/or any other performance obligations. Simultaneously, the SUPPLIER must inform MAGNA of the reasons for and the duration of the delay. Physical acceptance of the delayed delivery of the products

shall not be considered a waiver of MAGNA's rights with respect to the delayed delivery.

5. Delayed Delivery

The agreed time for delivery as per the order is of the essence of the agreement, must be strictly complied with by the SUPPLIER and can be amended only with the prior written consent of MAGNA.

The effective date of delivery is the date on which MAGNA has received the full delivery of complying products as provided in the order.

In case of failure on the part of the SUPPLIER to comply with the delivery date, MAGNA will be entitled to apply a penalty amounting to 0,5% of the total amount of the order for each calendar day of delay with a maximum of 10% of the value of the relevant order without prejudice to any damages.

In case a delay which would induce a penalty in excess of the 10% above maximum, MAGNA will be entitled to cancel the relevant order at its own discretion. Such cancellation can be made through a mere notification by MAGNA to the SUPPLIER without prejudice to MAGNA's entitlement to claim damages for full indemnification.

6. Force Majeure

In case of Acts of God, civil unrest, governmental or administrative actions or other unforeseeable, inevitable events, MAGNA shall be released from its obligations for the duration and to the extent of such disturbance.

7. Notice of Defects

MAGNA shall notify the SUPPLIER of defects of the delivered products within 5 (in words: five) working days after such defects have been detected within the proper course of business. In case the notification of the defects is delayed, this does not affect MAGNA's entitlement to any statutory or contractual claims arising out or in connection with the supply of defective products. In case MAGNA and the SUPPLIER agreed on JIT ("Just-In-Time") or JIS ("Just-In-Sequence") delivery MAGNA's obligation to examine the delivered products and to notify the SUPPLIER of defects of the delivered products shall be limited to the examination of the delivered products with the quantitative data of the respective delivery note and to damages noticeable through visual inspection during the processing of delivered products.

Payment shall not be considered as acceptance by MAGNA of the defective products.

8. Warranty

- 8.1 Unless stated otherwise in the Purchasing Conditions, the relevant law concerning defects or the non-performance (including improper title to the products) shall apply. Deviations from the agreed product specifications shall be considered as material non-performance of SUPPLIER's obligations, unless such deviations are immediately remedied by the SUPPLIER or if MAGNA is able to remedy the defect without any noticeable effort.

MAGNA has the right to choose the type of remediation of defects. In case the SUPPLIER does not immediately remedy the defect after being requested by MAGNA, MAGNA has the right, under urgent circumstances, to perform the remedy work itself or hire a third party, especially in order to avoid higher damages or in the event of imminent danger. The respective remediation costs shall be borne by the SUPPLIER. Furthermore, the SUPPLIER shall bear additional remediation costs arising out or in connection with the defects, especially costs of transport, assembly, disassembly, administrative costs and handling charges (at MAGNA's level, OEM's level and/or OEM's dealer's level) as well as all other costs in connection with the remedy of the defect. In addition, the SUPPLIER shall also bear costs which are associated with MAGNA's participation in "Remedy-of-Defect-Program" such as "Contained Shipping Level" and "Executive Champion Programs" or similar programs of its customers, particularly those of car manufacturers. Statutory or other contractual claims arising out or in connection with the supply of defective products remain unaffected.

- 8.2 Unless otherwise expressly agreed in writing, the warranty period shall be 36 (in words: thirty-six) months. The warranty period begins with the handover of the product, in which SUPPLIER's product will be built in, to the (end-)consumer, and ends at the latest 42 (in words: forty-two) months after delivery to MAGNA or to a third party specified by MAGNA. In case the product is subject to a formal acceptance, the warranty period shall commence upon acceptance of the product by MAGNA; if the acceptance test is delayed without the SUPPLIER being responsible for such a delay, the warranty period shall commence at the latest 12 (in words: twelve) months after the SUPPLIER has provided the product for the formal acceptance.

- 8.3 For products which were not operational during the inspection of the defective products or the remediation work, the respective warranty period shall be prolonged by the period of such operational interruption.

- 8.4 In cases of the replacement of products or if a repaired product shows the same defect or a defect resulting from the repair, the respective warranty period shall recommence.

- 8.5 With respect to the delivery of production material the warranty period starts with the initial registration of the vehicle but shall cease 42 (in words: forty-two) months after delivery to MAGNA at the latest.

- 8.6 All other claims due to breach of contract or breach of other obligations remain unaffected.

9. Product Liability / Indemnification / Insurance

- 9.1 Should MAGNA be subject to a claim based on product liability caused by a defect of the product delivered by the SUPPLIER, then the SUPPLIER is obligated to hold MAGNA harmless and shall indemnify MAGNA of all claims brought by third parties, as far as such claims have been caused by a defect of the product delivered by the SUPPLIER. In case MAGNA's liability depends on an act of negligence or intent, the SUPPLIER is only liable if SUPPLIER itself acted in that manner. In cases of strict liability this shall only apply if the SUPPLIER is at fault.

- 9.2 Furthermore, and subject to clause 9.1, the SUPPLIER is obligated to reimburse MAGNA for all costs and expenses concerning legal fees and recalls, as far as the claims concerned have been caused by a defect of the product delivered by the SUPPLIER. MAGNA shall inform the SUPPLIER - as far as possible and reasonably expectable - about the extent of such recall and the SUPPLIER shall explain its view on this matter. The SUPPLIER is obligated to provably maintain recall and liability insurances with an adequate insured amount for each personal injury / material-damage. In other respects, the relevant laws shall apply.

- 9.3 Liability - Insurance

The SUPPLIER and its subcontractors or declared third parties under the contract commit to provide MAGNA with a certificate of general and professional liability

- insurance that will cover, for the duration of the purchase order, their professional activities, their activities on the workplaces under the assignments or work entrusted by MAGNA, damages of any kind caused to third parties, damages to goods belonging to MAGNA and which are under their custody as soon as they are made available and as long as they remain under their custody.

- Persons and third parties engaged/hired by the SUPPLIER for the performance of its obligation under the respective contract, who will be physically present at MAGNA's premises or at premises of third parties specified by MAGNA, shall comply with the respective work regulations of MAGNA or of such third parties specified by MAGNA.
11. **Retention of Title and MAGNA-Materials**
- 11.1 MAGNA will accept a "simple" retention of title, if such a retention right is provided for in the SUPPLIER's GT&C and expressly agreed by MAGNA further to the negotiations with the SUPPLIER. However, MAGNA has the right to sell the product within the ordinary course of business, without accepting any "extended" retention of title as well as any other form of retention of title.
- 11.2 The SUPPLIER is obligated to inform MAGNA immediately about any rights a third party might have concerning the product. This also applies for any (potential) assignment of receivables by the SUPPLIER to third parties with respect to the products.
- 11.3 MAGNA shall remain the owner of any materials, parts, containers and/or custom packaging provided by it to the SUPPLIER. Those items shall only be used in accordance with the agreed terms of use. The processing and/or assembling of such items will be carried out on MAGNA's behalf. MAGNA shall become co-owner of products which are comprised of MAGNA's materials and parts. The proportion of the co-ownership shall be proportional to the value of MAGNA's items compared to the value of the product. The items provided by MAGNA shall be kept in a proper condition by the SUPPLIER.
12. **Assignment, Setoff, Right of Retention**
- 12.1 In case the SUPPLIER assigns its receivables against MAGNA without MAGNA's being duly informed, MAGNA is still entitled to pay the respective amounts to the SUPPLIER.
- 12.2 The SUPPLIER has the right of set-off and retention only if such rights are undisputed or confirmed by a legally enforceable judgment. The right of retention must furthermore be based on the same contractual relationship.
13. **Tools and Packaging**
- 13.1 MAGNA respectively the third party specified by MAGNA reserves ownership to the tools which MAGNA provides the SUPPLIER with. Should the tools be manufactured by the SUPPLIER or a third party engaged by the SUPPLIER, then MAGNA will at latest acquire the ownership upon paying 80 % of the agreed price of the tools. In all other cases, MAGNA shall become co-owner in relation to the agreed price of the tools and the payment it has made so far. Should the tools remain on the premises of the SUPPLIER, the SUPPLIER is obligated to keep the tools in a fiduciary capacity and to use the tooling exclusively for the manufacturing of the products for MAGNA and the delivery to MAGNA. The SUPPLIER is obligated to mark all tools in a way that the ownership of MAGNA or third parties specified by MAGNA is properly visible.
- 13.2 The SUPPLIER is obligated to insure at its own expense all MAGNA or third party owned tools to the extent of the original value against property damage. The SUPPLIER herewith assigns all claims based on such insurances to MAGNA. MAGNA herewith accepts the assignment.
- 13.3 The SUPPLIER is obliged to carry out all necessary and required maintenance and inspection work concerning the tools as well as all necessary repair work including the procurement of replacement parts at its own expense, in timely manner. The risk of accidental loss of the tools on the premises of the SUPPLIER shall be borne by the SUPPLIER. The SUPPLIER shall immediately inform MAGNA of any disturbances regarding the tools as soon as such events have occurred.
- In case of suspension of delivery or in any case of a non-performance, actual insolvency proceedings regarding the assets of the SUPPLIER, actual insolvency of the SUPPLIER, or the termination of the supply contract by MAGNA, MAGNA has the right to reclaim the tools (also the tools of the specified third parties) after paying the outstanding price of the tools, if any. The SUPPLIER has neither the right of retention nor any other right to keep the tools.
- Should the SUPPLIER have mandated a third party to manufacture the tools or in case such tools remain at the premises of a third party for the manufacturing of the product or parts thereof, the SUPPLIER is obligated to conclude an agreement with this third party that grants MAGNA the same rights towards the tools as stated in this clause 13, in case the tools are fully paid. The SUPPLIER assigns its claims regarding the tools against the third party, as well as other claims concerning the tools to MAGNA, to the extent MAGNA made payment for these tools to the SUPPLIER or to the third party.
- 13.4 As long as payments of the SUPPLIER to third parties, concerning the tools, are not fully made by the SUPPLIER and in case of the termination of the contract between the SUPPLIER and MAGNA, the commencement of insolvency proceedings against the SUPPLIER and in case of the insolvency of the SUPPLIER, MAGNA has the right to pay the outstanding price of the tools directly to the third parties instead of paying it to the SUPPLIER. In such event, the SUPPLIER herewith assigns all claims, concerning the tools, inclusive title of ownership, it might have against the third parties to MAGNA. The SUPPLIER herewith accepts such an assignment.
- 13.5 The SUPPLIER shall be not allowed to relocate the tools without prior written consent from MAGNA.
- 13.6 Clauses 13.1 till 13.5 shall also apply for the period of spare parts supply according to clause 17. Clause 13.3 shall also apply accordingly for any packaging material paid by MAGNA.
14. **Intellectual Property Rights of Third Parties / Background-Foreground Rights, Know How**

- 14.2 Clause 14.1 shall not apply if the SUPPLIER has manufactured the product in accordance with drawings, models or similar descriptions or information that were provided by MAGNA and the SUPPLIER did not know or was unable to know that intellectual property rights of third parties will be infringed.
- 14.3 The SUPPLIER shall inform MAGNA about the prior or current use of any published or unpublished intellectual property rights which are owned by it or licensed to it relating to the product.
- 14.4 The SUPPLIER herewith transfers the results of its development work made in connection with the development of the product including industrial property rights to the exclusive ownership of MAGNA, as far as MAGNA ordered the development work. As far as MAGNA did not pay for the development work, the SUPPLIER grants herewith to MAGNA a non-exclusive, geographically unrestricted, assignable and sublicensable right-of-use (license), free of charge, for the full duration of the intellectual property rights and which also includes the right to any kind of use, duplication and amendment of intellectual property rights of any kind.
- 14.5 The SUPPLIER herewith grants MAGNA a non-exclusive, assignable, sublicensable, geographically unrestricted right of use (license), free of charge and for the full duration of the intellectual property rights concerning the know-how, and/or intellectual property rights of the SUPPLIER which existed prior to the contractual relationship with MAGNA, in order to enable MAGNA to use the result of the development work as described in clause 14.4.
- 14.6 The application for registration and the assertion of intellectual property rights concerning development work paid by MAGNA and which are a result of the cooperation between the SUPPLIER and MAGNA shall be made solely by MAGNA upon MAGNA's unilateral decision. Inventions made by employees of the SUPPLIER during the term of the contractual relationship resulting from their activities under the contract must be claimed by the SUPPLIER accordingly. In case the development work is not paid by MAGNA, the SUPPLIER shall have the right to apply for registration. However, MAGNA shall be at least entitled to a right of use as described in clause 14.4 (sentence 1, second half).
- Any remuneration the employees are entitled to for having made their invention shall be paid by either MAGNA or the SUPPLIER depending on who is the employer of those employees.
- 14.7 The above mentioned rights granted to MAGNA remain with MAGNA even if the respective contract between MAGNA and the SUPPLIER will be terminated. These rights granted to MAGNA relate to all (partial) results concerning development results at the time of the termination.
